NOTICE is hereby given of a Regular Meeting of the Roads and Drainage Committee for the City of Clear Lake Shores, County of Galveston, State of Texas, to be held on the above-mentioned date and time at the Club House, Clear Lake Shores, Texas, for the purpose of considering the following items.

- 1) Discussion and possible action on 2022 road maintenance for Narcissus**  
Alex Scanlon will guide R&D through the raw data for drainage, and R&D aim to bid the job asap so that subsequent road work can be scheduled.  
The RFQ will reflect the path to MSAs with alternative engineering companies, which is to be discussed.
- 2) Check Valves on Outflow Culverts**  
Tony Peterson to update status for Tideflex test case at Ivy and W Shore.
- 3) Strategy to use previous drainage plan as framework for the future**  
Alex Scanlon will show example of Lidar and how it can be used for CLS.
- 4) Review of R&D 5-year plan**  
Richard Sowrey to lead the discussion, which will include the optional upgrade of CLR to concrete.
- 5) Status for the Clear Lake Road bridge**  
Brent Spier to update status.
- 6) Any other business**
