NOTICE is hereby given of a Regular Meeting of the Roads and Drainage Committee for the City of Clear Lake Shores, County of Galveston, State of Texas, to be held on the above-mentioned date and time at the Club House, Clear Lake Shores, Texas, for the purpose of considering the following items.

1) Discussion on 2022 road maintenance for Narcissus

Update when missing outfall data will be completed by High Tide.

Delegate RFQs to alternative engineering companies for:

- Cross-culvert details on Narcissus and Ivy
- Road (FDR) and ditch maintenance

2) Check Valves on Outflow Culverts

Tony Peterson to update status for RFQ to install Tideflex (or similar) test case at Ivy and W Shore.

3) Blue Point Road

The project is complete and what are lessons learned?

4) Next projects after Narcissus

Richard Sowrey led the discussion for the next 5-10 years at our previous meeting, and we should recap and delegate work for the coming year and update budget/spending as needed.

Summary of R&D recommendations for additional RFQs:

- Clear Lake Road approaches on both sides of the bridge.
- Bridge refurbishment study.
- Bridge transitions and sidewalk.
- Scheduled repairs: "Angel Baths" on Oak/Ivy', deep hole on 304 Oak and others.

5) Discussion about funding of routine maintenance

6) Any other business
