In compliance with the American with Disabilities Act, the City of Clear Lake Shores will provide reasonable accommodations for disabled persons attending City Council meetings. Requests for interpretive services must be made 48 hours prior to this meeting by calling 281-334-2799 or by faxing to 281-334-2866.

City Council encourages positive public comment and discussion during its meetings and reserves time during most Council meetings to hear such comments from members of the audience. HB 2840 was placed into effect September 1, 2019 by the Texas State Legislature which states, "A governmental body shall allow each member of the public who desires to address the body regarding an item on the agenda for an open meeting of the Municipal body, to address the body regarding the item at the meeting before or during the body's consideration of the item". Each member in the audience will be limited to 3 minutes for commenting on the specific subject matter of the agenda item.

Texas Open Meetings Act places certain constraints on topics raised by such visitors where such discussions are not related to an item that has been placed on the Council's posted Agenda (Attorney General Opinion JC-0169). The most effective way for an individual to have their voice heard and receive feedback at a City Council meeting is to contact the City Secretary no later than Noon on the Wednesday prior to an upcoming Council meeting and request that their name be placed on a future agenda as a Scheduled Visitor. When you make this request, please state specifically the subject you wish to discuss. The City Secretary will place your name on the Agenda along with a specific description of the subject to be discussed. If you fail to provide a specific description of the subject of your requested discussion, then Council will have no choice but to refer the matter to City staff for response or defer any feedback or discussion on the matter until a future Council meeting when the subject can be placed on the Agenda. Comments by a scheduled visitor should be limited to five (5) minutes and directed to the entire Council, not individual members. Engaging in verbal attacks or comments intended to insult, abuse, malign or slander any individual shall be cause for termination of speaking privileges and expulsion from Council Chambers.
