

A MESSAGE FROM OUR MAYOR

OCTOBER, 2020

CLS Friends,

Have you seen some of the fire hydrants getting painted? I have to tell you they are looking pretty cool and very impressive indeed. I want to say many thanks to all who are participating in the “Paint a Fire Hydrant” campaign that was launched by the WCID #12. This is such a great opportunity to show off our artistic skills as citizens of CLS. I challenge us for every fire hydrant to be sponsored and painted. We’ll have to make sure we give Kemah some good competition on which ones are the best.

Oh and then drive down 2094 and look what a magnificent job Amy Albro from Soul Freak has done with painting the sidewalk in between Clear Lake Rd. and Stewart Elementary. This gives such an encouraging path for our fine children to walk to and from school.

Thanks Amy!

I know we have been doing a great job with all of the COVID-19 situation and I feel with the numbers trending downward there are some activities that the city is going to allow to happen but not without an abundance of caution. So please be on the lookout on the details on the following events consisting of; National Night Out on Oct 6th, Meet the Candidates on Oct 14th, Thanksgiving dinner on Nov 7th and hopefully some Jammin’ on Jarboe concerts. The Civic Club is also working on something for Halloween. Please remember we will continue to monitor our current numbers and if things don’t look good these events may be canceled. The huge thing is folks need to maintain spatial distancing and use good hygiene practices and if you do not feel comfortable attending these functions then simply please do not attend.

Please check out the American Heart Walk page in the Islander...although it will be different this year as we don't get to go to Kemah and do the full walk, but we will still make it fun like we always do in Clear Lake Shores and gather to show off our shirts. Thanks so much to Mark & Wendy Massey for sponsoring this great event again. Now remember that CLS beat all of the other local towns, so they are coming after us....so be sure to make those donations so we can show them what small town pride looks like.

Lastly, I want to remind everyone to get out and vote as it is a Freedom that we have in this Country which many have paid the ultimate sacrifice for us to have. Let's please continue our spatial distancing and following good hygiene and hopefully continue getting to an end of this COVID-19 pandemic.

May God bless CLS.
-Mayor Kurt
